To: Members, Site Selection and Building Program Committee  
From: Paul Deisler, Co-Chair  
Subject: Notes on the August 5, 1999 meeting of the Site Selection and Building Program Committee

Please read the **action items**, clearly indicated in the text, and carry out those pertaining to you before the next meeting.

To: all members (ex officio or otherwise) present at the August 5, 1999 meeting, please do your best to carry out the **action item** found at the bottom of page 6. Written notes on your findings as to the quality of areas you survey and as to particular, apparently suitable sites you may encounter would be greatly appreciated and will expedite the search and make the next meeting effective.

To: all members not present at the August 5, 1999 meeting, if you are able to do so, your carrying out of the **action item** at the bottom of page 6 would be very useful to the work of this Committee.

Dave Ashton and I hope to see all of you at the **next meeting: 7:30 p.m., Thursday, August 19, 1999** at the Church to expedite progress on site selection. Any who cannot come, please get your notes to me in advance of the meeting (others, please do so also, if you have your notes ready).
